### Chapter 1

#### The Dream

Flow was just standing on grass that felt wet throw her thin her black Nike's. The moon was full and red. Then Flow heard a howl and wonder where it came. She could not see the wolf or anything that would howl anywhere in site. Then Flow heard Mike who looked as if he had been running and said "Run they are coming."

"Who is coming Mike, and why do you want me to run?" Flow asked so confused. Then Flow woke up to her friend Zora telling her to wake up and shaking her.

"Why did you wake me up it is 1:19 am?" Flow asked exhausted.

"Flow you started to scream that someone was coming after you. What was it?" Zora asked with worry in her voice.

"I do not know I was dreaming. That I and Mike Noctis were in the woods but then he told me to run, that they were coming. I asked who was coming and that is when you woke me up." Flow said as if it hurt to remember.

"I wonder what that means?" Zora asked as if she was taking it seriously.

"That I am watching too much Doctor Who." Said Flow.

"I think I do not like that show. I have never heard about Doctor Who." Said Zora.  
Zora thinks that you should not be trying to kill me." Said Flow.

"Just standing there I do not know why." Flow said with a look that made her dark blue eyes and her blonde hair look darker than usual. "How about what we do is big paper that is due in three months. Let's get it done early and makes Mr. Cacciatore madder at us?" Asked Zora walking out the door and down the stairs. "I have question, are we going outside?" Flow asked.

"Yes, because I have something for you I think you will like a lot. Before we do are paper." Zora said happily.

"What is it?" Flow asked.

"You will see." Said Zora. On the last step outside on the porch, Flow slipped and cut her hand on a sharp rock. Zora asked if Flow was ok but she did not turn around or help Flow up. When Flow was about to confronted Zora about it. Then Flow passed it off as she always did. "So we are out here where my surprise?" Asked Flow very confused.

"Look in the driveway and tell me what you think!" Zora exclaimed. Flow walked up to the driveway and saw it.

"You bought me a motorcycle. Why did you do that and why does it have a wolf on it howling at a blood moon?" Flow asked in real curiosity. "Because it is called the Howling Blood Moon and you remind wolf a lot of the time." Said Zora not trying to be mean.

"How? What do you mean?" Flow asked very mad.

"How you always know where I am even if you have never been there and you say you found me by feeling' you have like a wolf." Said Zora as if she was making fun of Flow.

"Are you making fun of me?" Asked Flow, when Zora did not answer. Flow back handed Zora as hard as she could across the face. Zora look as if Flow had hurt more her more than the pain of the hit to the face.

"Flow what was that for?" Zora yelled at Flow. "I don't know it just happened I am so sorry Zora." Flow said very loud.

"It just like you has changed Flow." Zora said. "Why do you say that? Zora it is the same old me." Flow said hurt.

"Because you have always wanted a motorcycle but now you are mad at me for buying one that is one thing. Another is that you just backhanded me for the wolf's sake. You also never get scared or have nightmares. You also never slip ever. What has happened to my Flow Gwaed

"Your mother and fathers car was found at the side of the road. The phone was the only thing in the car. There missing Flow and nobody knows where they are." Said Zora.

"Stop toying with me. What did they say?" Said Flow. Flow knows that Zora would not joke like that. But Flow would not accept it. Then Flow got a call from the police. It was true. She could not deny it now. Flow hung up.

"Zora can I go with you to your at your uncle's house until they are found?" Asked Flow.

"Sure, but let me call my uncle Tenebre first and Mike so they know you are coming." Said Zora.

form voice. What? Does she know about the secret? Has she seen the world in a different light yet? Asked Mike worried that if Flow stays that he would tell her. Her mother told me to tell her if anything happen to them. You know they don't look their age. And that her family is hiding something from someone. Said Zora as if someone was listening in on them. Someone was. It was Tenebre. Tenebre came out the shadows and told Zora and Mike that they need to tell Flow. The thing she needs to know. Flow came out right then. Why did you come out? Asked Tenebre. I was bored and I hear you guy. What do I need to know? Asked Flow. We will tell you latter. Ok? Said Tenebre, Mike, and Zora all at the same time. Ok. But why do I need to wait. Asked Flow. You will see. Said Mike. They watch Doctor Who for Three hours. Then Mike told Flow to get her jeans and a T-shirt on. That they are going to a party. What kind of party? Asked Flow. You will see. Mike said very creepy. Are those your favorite words Mike? Flow asked. To your surprise it is not my favorite words. My favorite words. Are you coming Flow. Said Mike with truth. Stop joking Mike. Flow said and put her hand up about to slap. Then Mike grabs that hand and pulled Flow towards the motorcycle. Whose motorcycle is this? Asked Mike but Mike know it was Flows. Mine and you know that didn't you. Anyways let's just go to that party you were talking about. Oh right you haven't talking a lot about it. Said Flow very ticked at Mike. I will tell you when we get there. Ok? Little Miss. Need to know it all right now. Or should I ask you to a boxing match? And we fight in the boxing rink? Asked Mike in a voice Flow hadn't her since Mike's mother and father died. Sorry. Plus we know who would win that match anyways. Said Flow try to make Mikes mind get off the topic of the party. So she could ask he something that usually made him mad. His parent's death and how it happened. We do. Do we. Said Mike like men do when they don't believe what is being said. Mike how did you..? Never mind. Said Flow thinking that the question was too personal. You know I know what you were about to say. Said Mike. Is it ok if I ask you that question or is it to personal? Asked Flow not wanting to make him mad. It is ok I thought you might ask. Said Mike not getting mad because he knows Flow would not judge him. Ok here it goes. How did you deal with your parents' death? Asked Flow. I had good friends how helped me and also your mom and dad. Flow if you need someone to talk to I am here to help you. Said Mike because he remembers how hard it was for him to accept that his parents were dead. Ok Mike I will. Also what time did that party start? Asked Flow so

Except for when Flow asked who. Mike answered with bad wolfs. Really Doctor Who quotes at this moment!? Are you tried to scare me? Well it's not work. Said Flow as she stopped running and stood there. Flow that is not what I am tries to do. Said Mike very serious. Then Flow saw it a wolf. Just then it tried to scratch Flow. But it was not able to because Flow caught its claw and then punched in its face. When Flow punched it in the face. She hit it so hard the wolf when flying and hit a tree. Mike ran up to Flow. Flow are you ok. Asked Mike because it looked like it hurt. No I am fine it didn't hurt. Why is that? Asked Flow. You are a wolf vampire witch and the queen of all three. Said Mike. You are joking right because there is no such thing? Asked Flow. No they are real. Well you are the first wolf witch. I am a werewolf. Said Mike trying to make Flow believe. Yea prove it. Said Flow. Ok I will. When you see blood it is red except for a couple people then it is green. Also you had dreams that come true. And you love outside and the moon and wolf and witches. Said Mike. Ok. You only know that because I must have told you during football practice or something. Said Flow not saying that any of this is true. But you know that is not true because you have not even told Zora about this. To tell her the dreams but not those they come true. Said Mike try to prove his point in a snarky way only Mike did. Yea you're right maybe I am just psychic, said Flow. Try to tell herself this was just a dream not real life at all. It's real life Flow stop telling yourself it not. It is not helping yourself. Said Mike in pain. Flow had no idea why. Why are you in pain? Flow said looking at what she had done to that poor wolf. Look at me Flow and you will see. I am turning into a wolf. How about you try it. Mike said with pain mix with forestation and serious all in his voice at the same time. And how do I do that? Flow yelled while she was kicking a tree as hard as she could. Just let your inner wolf out and don't tell me I am crazy ok. Said Mike with pain. Is there something else in theses wood? Asked Flow. Just Emma. Mike said gently. Who's Emma? Asked Flow. The werewolf you just hit. Said Emma. Who was now in human form. She looked young. Who old are you Emma? Asked Flow thinking she was 15 or 16. I am 14 years old. Said Emma. Wow you two are on talking terms. Said Mike who was also back in human form. Then another wolf came out of the woods. Flow was wondering if this was just a wolf or another werewolf.
